

## 3rd ISU Center of Excellence Oberstdorf – Pair Skating Seminar

August 6 - 11, 2023

## **3rd ISU Center of Excellence Oberstdorf – Pair Skating Seminar**

### **General**

After the last two successful seminars in 2021 and 2022, Oberstdorf will hold another ISU Pairs seminar in summer 2023.

The seminar will focus on the technical development of advanced novice, junior and senior pairs, that are preparing for the next season with a focus on the details, levels of pair skating elements and training the competition programs.

The seminar will culminate in a monitoring event accompanied by International Judges and ISU technical specialists. Through this monitoring, the athletes and their coaches will receive useful feedback to take home with them as they continue their season's preparations.

The goal of the project is to optimally prepare the above mentioned couples for the upcoming season. In addition to technique training and skating skills, work is done on fine-tuning the competition programs and, in addition to the ice, ballet, dance training and specific athletic training are also carried out intensively.

The Head Coaches Bruno Massot, Robin Szolkowy, Miriam Ziegler and Rico Rex together with an international coaching team will help the couples to prepare on ice and off the ice properly for the upcoming season 2023/2024.

### **Date of Seminar**

**06th -11th of August 2023**

(Arrival: 5th of August – Departure 12th of August)

### **Target Group**

Advanced Novice, Junior and Senior Pairs

#### **Please note:**

The number of participating couples is limited to 16 couples. A maximum of 2 couples per nation, per seminar week will be accepted.

#### **Important:**

**Skaters are supervised only during trainings and the presence of a responsible adult outside these times is therefore mandatory.**

## Training location

Eissportzentrum Oberstdorf

Rossbichlstrasse 2 – 6

D-87561 Oberstdorf

Germany

The ice rink in Oberstdorf is world famous for many international stars who have enjoyed optimal training conditions here. The complex has 3 ice surfaces, a balletroom, a yoga room, several changing rooms and a restaurant under one roof.

The head coaches of the seminar will be the 2018 olympic and world champion in pairs Bruno Massot, five time world champion in pairs Robin Szolkowy, multiple austrian champion and olympic participant in pairs Miriam Ziegler and former national pairs champion and olympic participant Rico Rex.

The team is completed by ice dance coach and choreographer Dr. Rostislav Sinicyn.

Off the ice Choreographer and Hip Hop Coach Deniz Doru will inspire the young athletes with challenging dance choreographies and Miss Tatjana Tobler will work with the skaters on specific athletics and acrobatics.

The organization will take place at the ISU Centre of Excellence in Oberstdorf, by ISU CoE Coordinator Daniel Wende.

## Further Informations

### TRAVEL INFORMATION

Oberstdorf, located in the south of Germany, is easy to reach.

#### **By plane**

##### Airport Munich – official airport

Airport shuttle-train to Munich main station (follow the green signs to S1 or S8). The train needs 45 min. to reach Munich main station, where you need to change for train on platform 29 – 36 to the departure platform for Oberstdorf.

#### **By train**

##### Munich Main Station - official train station

Nearly every hour a train is running from Munich to Oberstdorf. Most of them are „direct trains“ without any necessary change. The time to calculate is app. 2 1/2 hours.

Other train connections are directly from the northern part of Germany to Oberstdorf via Ulm. The train ride leads you through the most beautiful area of southern Bavaria, stops in one of the oldest Roman settlements in Germany, Kempten, and brings you into Oberstdorf.

Train tickets are available at the Munich airport, Terminal 1, ground floor. The cheapest ticket is the so called “Bavarian ticket” for app. € 26,00 and covering 5 people.

#### **By car**

##### Munich to Oberstdorf

Motorway to Kempten either via Munich or Ulm.

Distances: Munich – Oberstdorf app. 180 km

Also easy to reach from Zürich (SUI) via St. Gallen, St. Margarethen, Bregenz.
